Additionally, clothes may only be dried on removeable lines and poles which shall be removed and stored except during actual drying time.

The approval of the Board of Directors shall be in recordable form signed by two officers of the Association and shall be delivered by the Owner. Upon the termination of the tenancy of the current tenant(s), the Owner must comply with the provisions of this Section of the Declaration, and all current restrictions and rules governing rentals and leasing.
- (O) The effective date of this amendment will be the date of its recordation in the Public Records of Pinellas County.

**SECTION 16.** Purchases and sale. In order to maintain a community of congenial residents who are financially responsible and thus protect the value of the Lots, the transfer of a home by any Lot Owner shall be subject to the following provisions that each Owner covenants to observe.

(A) Transfer Subject to Approval

- (1) Sale. No Lot Owner may dispose of a Lot or any interest therein by sale without approval of the Association, except to a Lot Owner.
- (2) Other Transfers. If any Lot Owner shall acquire his title by any manner not therefore considered in the foregoing subsections, the continuance of his Ownership of his Lot shall be subject to the approval of the Association.

(B) Approval by Association. The approval of the Association that is required by the transfer of ownership of homes shall be obtained in the following manner:

**(1) Notice to Association**

- (A) Sale. An Owner intending to make a bona fide sale of his home, or any interest therein shall give to the Association notice of such intention, together with the name and address of the intended purchasers and such other information concerning the intended purchaser and such other information concerning the intended purchaser as the Association may reasonably require.
- (B) Gift, Devise, or Inheritance: Other transfers. A Lot Owner who has obtained his title by gift, devise, or inheritance, or by any other manner not heretofore considered, shall give to the Association notice of the acquiring of his title, together with such information concerning the Owner as the Association may reasonably require, and a Certified copy of the instrument evidencing the Owner's title.
- (C) Failure to Give Notice. If the notice to the Association herein required is not given, then at any time after receiving knowledge of a transaction or even transferring Ownership, the Association shall proceed as if it had received the required notice on the date of such disapproval.
- (D) The Association shall have the ability to conduct a background and credit check on all applicants, at the expense of the applicant. The Board shall have the authority to require a personal interview of a proposed transferee as part of the approval process described elsewhere herein.

**(2) Certification of Approval** – For sales, and any other transfer of title, then within thirty (30) days after receipt of such notice and information, the Association must either approve or disapprove the proposed transaction. If approved, the approval shall be stated in a Certificate executed by the President or Vice President and Secretary, in recordable form, and shall be delivered to the purchaser and a copy thereof kept on file with the Association for inspection of any party of interest to the transaction.

**(3) Approval of Corporate Owner or Purchaser** – Inasmuch as the lots and homes may be used only for residential purposes, and a corporation cannot occupy a home of such use, if the Owner or purchaser of a home is a corporation, approval of Ownership by the corporation may be conditioned upon requiring that all persons occupying the home be also approved by the Association.

C.) Disapproval by Association. Disapproval of a sale or other transfer of ownership of a Lot shall be based upon the requirements of Florida Law and may be based upon criminal History.

1.) If the Owner of the Lot is delinquent in payment of any monies owed to the Association, the sale or lease of the Lot can be disapproved.

2.) If the prospective buyer provides information on the application form that is a material misrepresentation, and impacts on the occupancy, the Board has the right to disapprove of the sale.

3.) If the proposed buyer is in violation of the Governing Documents, before taking occupancy of the Lot, then the Board has the ability to disapprove of the sale. This also applies to a person who previously
