Please Watch for our Annual Meeting Mailing

Ameritech will mail proxy forms for our annual meeting, scheduled for **January 19, 2027, at 10:00 a.m.** in the clubhouse. Please return your proxy so we can reach a quorum of at least **76 returned proxies**.

A second mailing would cost more than $750, so returning your proxy helps keep costs within budget. If you prefer, you may give it to a board member instead of mailing it or attending the meeting. Thank you for your help.

Community Rules

Our community guidelines have been in place for many years. Some may be superseded by Florida or federal law, and new rules have been adopted over the past 25 years. Until all current rules are compiled in one place, you can review board meeting minutes dating back to 2019 on our website.

Annual Home Inspections

The annual 2026 home inspections are complete. If an item at your home needs to be fixed, you will receive a letter shortly from Ameritech. You will have 60 days from the date you receive the letter to address the issue.

If no issues were found, we tried to leave a green card at your front door. Thank you for maintaining your VOG home.
